I understand and agree that health and accident insurance policies are an arrangement between an insurance carrier and myself. I assign and authorize payment directly to Chiropractic Offices of any insurance benefits that I may have payable to me, and understand that these funds will be created to my account(s) upon receipt. I also give Chiropractic Offices power of attorney to endorse checks made out to me, to be credited to my account(s). Furthermore, I clearly understand and agree that I am personally responsible for payment of any and all charges for services rendered. If payment is not fully satisfied or financial arrangements agreed to by Chiropractic Offices, I agree to pay all costs to collect the debt, including, but not limited to interest in the amount of 18% per annum, attorney's fees, court costs, and collection fees in the amount of 40%. The obligation to pay the collection fees shall be imposed at the time of assignment of the debt to a third party debt collection agency. As with any medical procedures, there are inherent risks that can occur. Although these risks are not highly prevalent in the administration of chiropractic care, they are nevertheless present. If I have any concerns in this regard it is my responsibility to discuss them with the doctor. By signing below, I acknowledge that I have received satisfactory informed consent for any and all procedures performed by Chiropractic Offices.
